

# The Electronic Age Makes Bill Payment Simple

## You can skip lines, stamps and delays.

Northwestern REC offers several electronic bill payment options. Each of these make it easier and faster for you to pay your monthly bill. If you're tired of sending a check, stopping at the office or a bank, just sign up for one of the options listed below. With each option you still receive a monthly statement with your billing details. Plus your bill will always be paid on time even if you're out of town or the Post Office is slow to deliver the mail.

1. Zipcheck – allows your monthly payment to be automatically deducted from your checking or savings account.
2. Co-op PowerPlus Visa™ Credit Card – the Co-op offers both a low-rate card and a rebate card. When you use the rebate card to automatically pay your electric bill you receive a 3% rebate up to \$100 per year, just for using the credit card.
3. Any other Visa™, Discover™ or Mastercard™ credit cards – you can use a credit or debit card you already have to pay your bill.

**Print, fill out and return this form, enclose it with your bill or mail separately to Northwestern REC, P.O. Box 207, Cambridge Springs, PA 16403.**
